I understand that my care will be provided within a teaching environment and the Physicians, Nurses, residents, fellows, and other health care professionals in training may be involved in my care and treatment. I also understand that my health information may be used within the within the RFUHC and its affiliates and released in accordance with the law and the RFUHC notice of Privacy Practices. I understand that my provider(s) may discuss various research opportunities that may be of interest for me and that I have the option of participating but may decline at any time.

- F. In Loco Parentis and Consent for Minors: RFUHC recognizes there may be instances when a parent/guardian is unable to accompany a minor patient to the clinic. Under Illinois law, a minor is a person who has not attained the age of 18 years and a minor cannot consent to medical treatment. A parent/guardian or person in loco parentis must consent to the treatment of a minor. The term "in loco parentis" might include an aunt or uncle or some other adult who does not have legal guardianship but who otherwise stands in the shoes of a parent. RFUHC requires the parent/guardian or loco parentis of the minor patient accompany the patient at minimum annually to provide written consent as a loco parentis designee to consent to medical consent on behalf of the minor.
